

Haverhill News Update

PO Box 11423, Fort Wayne, IN 46858

March 2012

www.haverhillofcoventry.com

We experienced some delays with printing/delivery of the Jan/Feb newsletter, so we've put together this sheet with some notes and updates since January!

To ensure you receive the latest Haverhill News please sign up for eDelivery (sign up form located at www.haverhillofcoventry.com/contactUpdate.html)! You will be notified via e-mail as soon as a new newsletter is posted online, and will no longer need to rely on printed copies for you Haverhill News!

Haverhill Facebook Page coming in mid-April. Be sure to "Like" us for even more neighborhood happenings!

Mailbox Replacements

Plans are underway for replacement of all resident mailboxes this spring/early summer. Last fall, the board voted in favor of more durable metal mailboxes to replace the current plastic models. Prior to beginning this project, current posts need to be assessed for necessary repairs and maintenance. To report problems with your current mailbox, please contact Susi Griffiths.

Drainage Patrol

We have a very common problem of our storm drains becoming clogged with leaves and other debris, which keeps our streets from draining quickly after wet weather. If you live near some of these storm drains, we're asking for your help with keeping these clear. We've spotted some regular walkers clearing drains (over, and over, and over again). If the residents near these spots could help us by disposing of the debris to keep it from washing back into the drain—we would greatly appreciate it!!

Welcome New Residents!

Several homes have recently sold in Haverhill. Please help us welcome the following new Haverhill homeowners!

9307 Woodstream— Jonathan & Helen Noworyta

4209 Holly Tree—Nathan Moore

4517 Morning Wind Place,—Marie Benefiel

4420 Gray Owl— Jack & Carol Kepple

It's Haverhill Garage Sale Time!

Start cleaning those closets and attics... the annual spring garage sale dates have been set! To minimize confusion, the association board has decided that Haverhill spring sales will always be the third weekend in May, which means this year they will be held **Friday and Saturday, May 18th and 19th from 9am - 4pm**. Large signs will be placed at each entrance and an ad placed in FW Newspapers.

Be on the lookout for bargains, as well as increased traffic!

We anticipate holding Fall association-wide garage sales again this year. Fall dates will be set as soon as we receive news from the city regarding any possible Haverhill street repair schedules.

Haverhill Board Meeting Notes

From meetings on February 9 & March 8 2012

From February 9th meeting:

Low attendance at this meeting—maintenance and security logs reviewed, but there was little activity due to winter weather.

From March 8 meeting:

Board: Board voted in favor of paying a small monthly stipend for the maintenance director position, due to the amount of work and often personal expenses involved in this role.

Maintenance: Several mailboxes repaired. Working on spring cleanup of common areas. Some ongoing drainage issues will be revisited this summer.

Security: With warmer weather approaching, we also may see a rise in vandalism. Please report anything suspicious!

Treasurer: Dues payments have been coming in, with approximately 65 properties still with outstanding dues. Final notices will be arriving, with lien proceedings beginning sooner than in years past.

Upcoming Meetings:

April 12 & May 10

7pm @ Aboite Library Community Room

Check <http://www.haverhillofcoventry.com> for details.
